

**MAX MILLION**

**Broadspectrum Ltd.**

Delivery Manager

**Finance for Non-  
Financial Managers**

A colleague recommended IMNZ to me as I needed a course to consolidate my existing knowledge regarding finance.

My favourite aspects of the course were that the tutor explained the various concepts using real-world examples and scenarios, and the material was delivered in an interesting manner. I have since been able to apply the concepts learned in my daily work.

I would recommend IMNZ because the material has been tailored to suit real world applications.
